Attempted Assassination.

Calboun street division of the Belt line boycott, and who are the real boycotters? was jogging along through Hell's Half-Acre he was startled at the flish of a pistol fellowed by a report so close to him that he thought for a moment that he was a dead man. From subsequent developments it appears that he did have a tolerably close call, but not quite so close as did his solitary passing r, a so close as did his solitary passenger, a stranger who occupied the platform with submitting to still stand by it are stranger who occupied the platform with submitting to starvation wastern as disthe driver, and who was almost touching submitting to starvation wages or a dishim at the time. When this gentleman stepped in the car a few moments after the shot, his overcost was found to have been recently perforated by a builet. No

eateemed young man, lately on the police force of this city. His bright, aspiring and manly nature made him many friends. The lady he wedded is said to pos-sess superior qualities of mind and heart, and in a large circle of devoted friends she will be sadly missed. THE GAZETTE wishes for them a career of happiness such as their worth merits, and as they journey along life's road, may they never have cause to regret the destiny that linked their fortunes.

AN EXPLANATION.

Congressman Taylor of Tennessee Writes to a Distinguished Fort Worthlan.

The many friends of Colonel A. J. Wheatley who have been urging his sppointment to a position on the inter-state commerce commission will be interested in the following letter from Congressman John M. Taylor of Tennessee, which fully explains the embarrassment that operates to hinder Judge Reagan from pushing the claims of Colonel Wheatley:

HOUSE OF REFRESENTATIVES, U. S. ... WASHINGTON, Feb. 14, 1887. Colonel A. J. Wheatley, Fort Worth, Tex. Reagan. He would be embarrassed in across the river from the city for whom his recommendation of you for commissioner by the candidacy of such men as six months. Governor Ireland and Senator Maxey. They have been domiciled in Texas longer than you, and are presumed to have more

and the printers is not of recent date. It | what has already been told. commenced some time ago, and the fire has been smothered, until the Mall's last break, by the conservative element of the Typographical Union, and against the and other circumstances the relations exwho know their rights and are always no very recent date. The penalty for City tax payers are coming forward in pretty good style. Monday Assessor and collector Massle took in over \$10,000.

Tendy to sustain them. The Mail first incest, as laid down in the Penal Code of asked the privilege of using plates for its Texas, is imprisonment in the state miscellaneous matter, pleading poverty. A complaint was made against Jerry The Typographical Union consented to ten years, O'Connor yesterday charging him with this. The Mail next asked that it be allowed to make a combination with the Sale of seats for matinee performance of Rubson and Crane Tayrsday afternoon opens this morning at Dashwood & Union substituted both. The Typographical Union submitted, believing that the Mail was in distress. The Mail next demanded The County Commissioners had a long conference yesterday on several important questions, but nothing definite was a reduction of 354 cents on the dollar, or that the printers—skilled mechanics—should work for 82 per day instead of should work for \$2 per day instead of Parties who have had seats marked off the foreman should be compensated with for the Robson and Crane performance are liable to lose them if not settled for mand was made after the Typographical 88, for ten hours straight work, and that Union had granted to the Evening Mail The magnificant revival of the Comedy terms unheard of by any other paper—of Errors off cted by Rubson and Crane the use of plates and the swapping has proved to be a floandfal and artistic of matter with the Live Stock success. Presented to shift and to-mor-row at matter. Journal. This last monstrous proposi-tion was submitted to the Typographical are happy to amounce that we can fur-The tour of Messrs, Robson and Crane Union, and in good faith the Union apthrough the south has been something pointed a committee of three to inform fruit either of phenomenal. They have scored the the proprietors of the Mail that it would largest houses since Booth's engagement be impossible to accept such a "slashing" ander Ford some seven years ago, which reduction, and to inquire of them if there is considered the great of coursiness done in two years by these favorite comedians. The quaint and breezy humor of the graphical Union. The committee waited Merry Wives of Windsor naturally on these gentlemen, and suggestion after caught their fancy. Although no stress suggestion was made. The committee was laid upon the limited spectacular possibilities of this piece as in the case of to anything except a 3.74 per cent. reducthe Comedy of Errors, its revival is of scarcely less moment. Indeed, when the temperamental fitness and sympathy of Mr. Cane for the part of Falstaff is considered, one is disposed to wonder why he did not light on this happy thought before.—[Louisville Courier Journal Toe Merry Wives of Windsor will be played to morrow night.] layed to-morrow night.

Neither Mr. Robson nor his partner had demanded or a lockout. The committee

demanded the same service performed by the union men it discharged; furthermore, that said management is toproffered its union force, thereby showing a pre-determined effort to force their old union force out and to non union ze their office. Hence, the question arises: Attempted Assassination. If there is any boycott going on in Fort Night before last as a driver on the Worth at this day, who instituted such Did not the Mail managemen virtually boycott a force of men who had rendered it valuable and efficient service, who had made every reasonable and honorable concession which men who were intercharge from the employ of the office?

Just think of it! How could these men submit to a reduction so sweeping, so unreasonable—the foreman from \$21 to \$14 per week; compositors from \$18 to \$12 per week—wares below the level of country weeklies even in the freeholds. clew to the deed has yet been hit on, per week; compositors from though the driver suspects a personal though the driver suspects a personal try weeklies even in the drouth-struck in the drouth-stru regions of Texas. We are willing to allow the public to weigh all the facts in this case, and feel The marriage of Mr Robert E. Bu-chanan and Mrs Eunice S Curtiss at the premises as to who are the first and residence of the bride's father, Prof. O. real instigators of this alleged boycott, W. Keeler, by Rev. Dr. Nall yesterday as to which party has been guilty of W. Keeler, by Rev. Dr. Nall yesterday as to which party has been guilty of moralog, was a happy affair, albeit celebrated in a very quiet way, and witnessed who have suffered a wrong, or their sexual, nervous and chronic discrete, as to which party has been guilty of treachery, or as to whether those men and chronic discrete.
